

# Mastering the Art of Instrument Navigation - Frederick, MD IMC Club Chapter

IMC Club came to the AOPA Headquarters last year. Now, thanks to our new Chapter Leader - Larry R. Jarkey, it is being expanded and made available to all local pilots around Frederick, MD IMC Club, through its nationwide chapters, provides organized "hangar flying" focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** First floor conference room, look for directions and signs on the premises
